**PETITION UNDER 37 C.F.R. § 1.182 TO INCLUDE FIG. 8**

Commissioner for Patents  
Mail Stop Missing Parts  
P.O. Box 1450  
Alexandria, VA 22313-1450

As indicated in the Specification, FIG. 8 forms part of the application. FIG. 8 was unintentionally omitted from the application as filed and from the PCT application PCT/ZA02/00096, from which the subject application claims priority. However, the priority documents South Africa application 2001/4794, a certified copy of which is

included, contains the FIG. 8. Because the subject application claims priority to both PCT/ZA02/00096 and to South Africa 2001/4794, Applicants believe that inclusion of FIG. 8 is proper.

Inclusion of FIG. 8 is requested. The petition fee of \$130.00 is included. Any questions concerning the subject Petition can be addressed to the undersigned Attorney who can be reached at (312) 321-4276.
